2020 CENSUS

Erie County Kids Count

Why The Census Counts Kids

Census data are used to determine funding for programs which are important to children and their families such as:

- Title I Grants for schools
- Special Education Grants
- Children's Health Insurance Program (CHIP)
- National School Lunch Program
- Head Start
- Supplemental Nutrition Assistance (SNAP & WIC)

Completing the Census is fast, easy, and confidential. You will be invited by mail to participate in Census. The Census form can be completed online or using a touch-tone phone and only takes about 10 minutes to complete. Information collected by the U.S. Bureau is confidential.
